L. Bell

AMENDMENT

In response to the Office Action mailed November 29, 2001, please amend the above identified patent application as follows:

IN THE SPECIFICATION:

Page 5, line 11, after the second incident of lens, insert --208--.

Page 5, line 16, delete "lenseless" and insert --lensless--.

IN THE CLAIMS:

Claim 5, line 2, delete "lenseless" and insert --lensless--.

IN THE DRAWINGS:

A proposed drawing correction has been made in red pencil.

In Figure 4, reference number 400 has been added.

REMARKS

A replacement declaration is provided so as to comply with 37 CFR 1.67(a).
